

Experimental Finance Summer School 2024

June 8 – 10, Stavanger, Norway

The University of Stavanger and the Society for Experimental Finance invite you to the *Experimental Finance Summer School 2024*, to be held in Stavanger, Norway. Students are also invited to attend the *Experimental Finance 2024* conference from June 10 – 13.

The goal of the summer school is to deepen students' understanding and knowledge of the field of experimental finance.

While all are welcome, the summer school targets the following groups:

- Young scholars from finance/economics departments who belong to a non-experimental group at their University, but are interested in research in Experimental Finance.
- Young scholars from finance/economics departments that are embedded in an experimental group but want to improve their experimental skills and get an overview over some of the main fields in a systematic way.
- Priority will be given to applicants who have not yet completed their PhDs.

To apply, visit our website at www.experimentalfinance.org/conferences.
